small kitchen.

# The **STONEHOUSE** Story

**July 2014 We were Born!**

**October 2015 Won Best Independent Pizza Restaurant at the PAPA Awards**

**October 2016 Chef Jack is a Finalist in Pizza Chef of the Year Competition**

**November 2019 Installed 3 Phase power to the kitchen**

**January 2020 New triple deck pizza oven arrived, our old second hand double deck went to the scrapyard in the sky**

**February 2020 We built our app, and integrated online ordering into our website**

**March 2020 Covid closed the restaurant..We were only able to offer takeaways ☹️**

**March 2020 We launched our app, and began our delivery service using our family car**

**October 2020 We bought the first little red Suffolk Stonehouse pizza car!**

**May 2021 we built an outside shelter with lighting and heating in preparation for welcoming customers back. Have you seen our garden?**

**June 2021 We built a new bar area, adding real ale on draught and ABK lager and reopened our doors as a bar serving pizzas**

**September 2021 You are not seeing double! We bought the second little red Suffolk Stonehouse pizza car**

**Our business had to adapt to survive Covid and we now combine eat in, private cellar parties, collections and deliveries. The kitchen is small and does not have a separate wash up area, so we serve on hygienic, eco-friendly 100% recycled/recyclable cardboard plates**
